IIHMSP-2022-IS03

Call for Paper

Invited Session on Emerging Techniques and Its Applications in Intelligent Information

Session Organizer: Prof. Tsu-Yang Wu, Prof. Chien-Ming Chen

This invited session will discuss recent advances in intelligent information including but not limited to security, big data, artificial intelligence, engineering, and economics. Contributions containing new insights and findings in this field are welcome. This special session provides an international forum for researchers and specialists from the field of merging techniques and their applications. Although particular attention will be given to the above theme areas, it should be stressed that a broad range of submissions is encouraged.

Submissions:
Papers should follow the template on the conference website and be submitted via email to Prof. Tsu-Yang Wu (wutsuyang@sdust.edu.cn)

Important Dates:
Paper submission: October 5, 2022
Acceptance notification: November 5, 2022
Camera-ready copy and registration: November 12, 2022
